

Handyman Affidavit

Please initial each statement.

- _____ 1. I have been provided a copy of NRS 624.031 regarding the type of work that I may perform without obtaining a contractor's license.
- _____ 2. I have been provided a list of services I may offer as a handyman (attachment entitled "RE: Handyman Clarification").
- _____ 3. I understand that if cited by the Nevada State Contractor's Board, I am subject to fines and possible incarceration.

Nevada Contractor's Board Requirements of NRS 624

The Nevada State Contractor's Board enforces the requirements of NRS 624, which states in part, "a contractor is any person, except...who in any capacity other than as the employee of another with wages as sole compensation..." who offers an estimate or "bid...to construct, alter, repair, add to, subtract from, improve, ...any building...structure, project, development or improvement...."

Some handymen have been prosecuted for contracting. The Nevada State Contractor's Board receives and investigates consumer complaints. If you are contracting, the Nevada State Contractor's Board must properly license you. **The Contractor's Board may assist you, if you do not understand their requirements. Please call 775-688-1141 or visit their website at <http://www.nscb.state.nv.us> if you have specific questions.** Your attorney may help you determine if you need a contractor's license or if NRS 624.020 paragraph 2, specifically excludes you from the requirements.

If you are exempt from a contractor's license, you may be licensed as a handyman. A copy of this form will be placed in your business license file.

I state I am not a licensed contractor and have been provided information on how to become a licensed contractor. I must charge an hourly rate and shall not bid jobs without a contractor's license or charge for materials. I cannot perform structural framing, electrical, plumbing, mechanical and commercial construction. I will not do any work that is in violation of NRS Chapter 624.

NRS 624.031 Applicability of chapter: Exemptions. The provisions of this chapter do not apply to:

1. Work performed exclusively by an authorized representative of the United States Government, the State of Nevada, or an incorporated city, county, irrigation district, reclamation district, or other municipal or political corporation or subdivision of this State.

2. An officer of a court when acting within the scope of his office.

3. Work performed exclusively by a public utility operating pursuant to the regulations of the Public Utilities Commission of Nevada on construction, maintenance and development work incidental to its business.

4. An owner of property who is building or improving a residential structure on the property for his own occupancy and not intended for sale or lease. The sale or lease, or the offering for sale or lease, of the newly built structure within 1 year after its completion creates a rebuttable presumption for the purposes of this section that the building of the structure was performed with the intent to sell or lease that structure. An owner of property who requests an exemption pursuant to this subsection must apply to the Board for the exemption. The Board shall adopt regulations setting forth the requirements for granting the exemption.

5. Any work to repair or maintain property the value of which is less than \$1,000, including labor and materials, unless:

(a) A building permit is required to perform the work;

(b) The work is of a type performed by a plumbing, electrical, refrigeration, heating or air-conditioning contractor;

(c) The work is of a type performed by a contractor licensed in a classification prescribed by the Board that significantly affects the health, safety and welfare of members of the general public;

(d) The work is performed as a part of a larger project:

(1) The value of which is \$500 or more; or

(2) For which contracts of less than \$500 have been awarded to evade the provisions of this chapter; or

(e) The work is performed by a person who is licensed pursuant to this chapter or by an employee of that person.

6. The sale or installation of any finished product, material or article of merchandise which is not fabricated into and does not become a permanent fixed part of the structure.

7. The construction, alteration, improvement or repair of personal property.

8. The construction, alteration, improvement or repair financed in whole or in part by the Federal Government and conducted within the limits and boundaries of a site or reservation, the title of which rests in the Federal Government.

9. An owner of property, the primary use of which is as an agricultural or farming enterprise, building or improving a structure on the property for his use or occupancy and not intended for sale or lease.

STATE CONTRACTORS' BOARD

Re: Handyman Clarification

In response to your request, the following services do not require a state contractor's license.

1. Mowing of lawns
2. Edging of lawns
3. Clean-up and hauling of debris
4. Replacement of sprinkler heads which are threaded and screw onto risers
5. Tree and shrub trimming
6. Rototilling of garden area
7. Thatching of lawns

The handyman can do cleaning, appliance repair, light bulb replacement, evaporative cooler maintenance, filter replacement, and faucet washer and seat replacement without a contractor's license.

Other work such as carpentry, electrical, painting, concrete, glazing, tile, floor covering, roofing, plumbing and refrigeration all require a separate contractors license.

If we can be of further assistance, please contact this office.

Sincerely,

Frank Torres
Deputy Director of Investigations
